

# Workshop on Models, Epigenetics and evolution

Confirmed speakers:

Edith Heard, Institute Curie

Denis Thieffry, IBENS

Jacques van Helden, AMU

Martin Howard, JIC

Leonie Ringrose, IMBA

Marc Rehmsmeier, University of Bergen

Francisco Ubeda, University of London

Erik van Nimwegen, Universitat Basel

## Topics include:

- recent developments on the topic of mathematical modelling applied to epigenomic data
- first hand experience of how to start a multidisciplinary collaboration or transit between experimental and computational biology

**May 22nd- 23rd, 2014**

**Institute Curie, Paris**

a workshop organised by the Training Advisory Board of EpiGeneSys
